## About the conference

The 2<sup>nd</sup> IWA Conference on Non-Sewered Sanitation (NSS) Systems will be held from 09–12 July 2026 in Palakkad, Kerala, India, hosted by the Global Sanitation Center of Excellence (GSCOE), Indian Institute of Technology Palakkad (IIT Palakkad) in collaboration with the International Water Association (IWA). Building on the success of the first IWA NSS Conference held in Johannesburg in 2023, this global event will bring together students, researchers, practitioners, policymakers, industry partners, and utilities to exchange cutting-edge knowledge, experiences, and innovations in non-sewered sanitation systems.

## About IIT Palakkad

Established in 2015, the Indian Institute of Technology, Palakkad, is dedicated to creating an environment that enables students and faculty to engage in the pursuit of knowledge, to dream, think, and innovate thereby becoming change agents for a better world. Having begun with just 120 students in July 2015, IIT Palakkad has since grown into an establishment that is about a thousand students strong and with the best manpower in key positions.

## About GSCOE

The Global Sanitation Center of Excellence (GSCOE) is a center of excellence of IIT Palakkad, initiated and facilitated through the Office of Principal Scientific Advisor, Government of India. The center's ongoing projects include developing new sanitation technologies and solutions for non-sewered sanitation systems, which are crucial in rural and underserved urban areas. The GSCOE is also involved in national and global networks on non-sewered sanitation systems, which focus on national and international cooperation to improve sanitation across regions.
